

Features

- High efficiency: up to 125 LM/W
- Wire guard accessories available
- Tempered and shatter-resistant glass for durability
- High quality Nichia chips
- Light distribution: NEMA 6Hx6V (Standard), 3Hx3V (Available)
- Surge protector options: 100-277V, and 347V
- Sensor options:
photocell sensor
- Dimming option available
- Mounting options: slip fitter mount, trunnion mount, straight arm pole mount, ½" NPT connector
- IP65 Rating
- ETL/CETL, DLC Premium
