

Features

- Edge-lit LED array with translucent diffuser provides uniform illumination
- Ultra slim Aluminum Frame
- LM-79 and IES available
- Lumen efficacy is <110LPW
- External UL listed Class 2 Constant Current Driver
- Universal Voltage 100-277V
- 120° Beam Angle
- 50,000H Lifespan
- Multiple mounting options
- Suitable for damp location
- Working temperature -30°C-40°C
- 0-10V dimming
- UL/cUL, TUV, DLC 3.0 listed

Specifications

	SL-PN-50W2x4	SL-PN-75W2x4
Wattage	50W	75W
Lumens	5500LM	8250LM
CRI	Ra>80	
Color Temp	2700-5000K	
Voltage	AC8100-277V, 347V Available	
Power Factor	<0.99	

Applications

- Office
- Healthcare
- Commercial
- Industrial
- Airport
- Conference Room
- Education
- Government
- Showroom
